Honorable William Casey
Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Honorable Casey:

On May 17 and 18, I am sponsoring a Local Government Conference here in Washington for local officials from New York. We expect several hundred people will attend.

As part of the two days' activities, I would like to bring New Yorkers who serve in key positions here in Washington together with these local officials. To facilitate this important exchange, I will host a New York State reception on May 17, 1983, from 5:00 p.m. to 7:00 p.m. It will be held at the Sheraton Washington Hotel, Connecticut and Woodley Avenues, N.W. Weather permitting, we will be poolside. Otherwise, we will gather in the Washington Ballroom.

Please mark your calendar and plan to attend this reception as my guest. We New Yorkers need to work together on behalf of our state, and I would be proud to introduce New York's team here in Washington at this gathering.

Please R.S.V.P. to Joanne Siembida in my office at 224-6542.

I look forward to seeing you on the 17th.

Best regards,

Alfonse M. D'Amato
United States Senator
